Report of Principal and School Improvement Council

Palmetto Academy of Learning and Success, a Palmetto Gold recipient, is a public charter school located in the Market Common area of Myrtle Beach. The mission of PALS is to create a small, diverse learning environment that accommodates each student's individual differences, learning styles, and development while promoting high expectations for all students. By providing meaningful and innovative learning experiences, instruction for multiple learning styles, access to technology, and encouraging family and community involvement PALS is committed to guiding students in the development of both their character and academic potential in preparation for their success as lifelong learners. The staff at PALS is committed to the reinforcement of PALS' rigorous curriculum and high expectations for all students with more than 75% of the staff members holding or actively pursuing advanced degrees and almost half of the elementary classroom teachers holding certifications as reading specialists. PALS serves students from kindergarten through eighth grade and maintains class sizes of only 18 students per class. PALS' eighth graders moving on to high school have had the opportunity to earn 4 high school credits – English I honors, algebra I, geometry, and computer science/keyboarding. PALS also offers a full day gifted & talented pullout program with an average student to teacher ratio of 10:1. Students in kindergarten through second grade also receive gifted & talented instruction each week from a gifted and talented teacher. This small, diverse learning environment with highly qualified teachers attracts families seeking academically rigorous curriculum and whole-child development. The 2013-2014 school year was filled with many significant accomplishments for PALS! PALS moved into a brand new facility that was designed specifically to meet the goals of our program. The school also had two groups of teachers who were awarded \$1,000 each for innovative projects and PALS' teachers had over 12 projects (which totaled more than \$5,000 in materials) funded through community support. PALS continues to offer a local chapter of both the National Junior Honors Society and the Junior BETA club. Students had the opportunity to participate in sports (basketball, soccer, cheerleading, softball, baseball, volleyball) and more than 10 afterschool clubs. The PALS' Science Competition Team placed in numerous events at the Science Olympiad competition. Each class participated in a community service project such as: a canned food drive, pet supply drive, cards & letters to nursing homes, letters to veterans, beach sweeps, and recycling programs. We are looking forward to an equally exciting and rewarding 2014-2015 school year!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	99.4
